

Job Title: Driver

Location: Norfolk, NE

Summary

Rollin' Coal Trucking is looking to hire qualified drivers to run hopper bottom trailers hauling grain, aggregate, feed and fertilizer. Drivers are home nearly every night, but may be asked to stay overnight in a truck 10-20 times per year, depending on available routes. Rollin' Coal Trucking is a four-truck, family-owned operation based out of Randolph, NE. Our trucks are usually parked in Norfolk, NE or other suitable locations at night. ***Flexible schedules are available, as well as overtime hours. Overtime hours are required during harvest season.***

Job Responsibilities

- Transports grain, aggregate, or feed to customers
- Supports sales department with equipment delivery as needed
- Maintains records of pick-up and deliveries; obtains necessary signatures and receipts
- Maintains all required certifications in line with DOT, OSHA and company policy
- Accounts for all time and all distance traveled in performing assigned duties
- May need to maintain assigned trucks and related equipment in good conditions
- May instruct customers on basic equipment operating procedures as required

Skills & Qualifications

- 1+ years' experience as semi-truck operator
- CDL license
- Ability to safely clean interior of trailers
- Ability to lift items weighing upwards of 75 pounds repeatedly
- High School Diploma or equivalent experience
